Seeing Our Community

The images in this year’s annual report are from the first annual photography exhibit “Seeing our Community”; a photographic celebration of our community presented by the Yellow Springs Community Foundation. The exhibit was displayed in the Winds Café in January and February, with an artist reception on the final Sunday. The full exhibit is posted on the website for your review:  www.YSCF.org.

This creative opportunity was open to all Yellow Springs and Miami Township community members who pursue the art of photography at a professional, amateur or hobbyist level. Thank you to our project partners: Deb Housh, Winds Café, Yellow Springs Arts Council and submitting artists.

2018’s photo exhibit topic will be “Faces of our Community”, more details will be available soon.

Voice of the Foundation

A word from the Executive Director:
In reflecting on 2017, I must say, WOW what a year! Our amazing Donors provided multiple outstanding giving ideas, which we were able to implement and that allowed us to increase our support to local nonprofit groups. How can it get better than this? Implementing new products for providing grants, giving and investing was a real team effort among staff, board, members and volunteers; a big Thank You to each of them.

Here are a few examples of the exciting new products available from the Foundation.

• We now have Anonymous Donor Advised funds and Endowments
• We have established our first endowment created by funding from a local business
• A Socially Responsible Investment (SRI) option is now available
• A creative way to provide local nonprofit support, a local agency fund is collateral for a line of credit through the Yellow Springs Credit Union.
• A Nonprofit Directory is now on our website. This tool supported the YS Giving Tuesday site, which helped 24 nonprofits maximize this important day of local and national philanthropy in November, and is available for donations year round.

As I look forward to 2018, I can only imagine it will be as dynamic as the previous year. I believe there is no better time to join us in enhancing our community life. – Jeannamarie Cox

A word from the President:
The Yellow Springs Community Foundation belongs to our community. From its humble beginnings in 1974, it has been a place for our community to give back, to transform, inspire, and enrich work in education, environment, social needs, and the arts. A donation to the Foundation is a way to fund the future of our community, knowing that the needs of today may not be the needs of tomorrow, and trusting that the Foundation will respond to those changing needs. When you provide a gift to the Foundation, you are supporting a multitude of good projects in Yellow Springs and Miami Township, from college scholarships to art supplies, and from housing needs to transportation. Your donation, far from being a simple tax deduction, is a direct contribution in helping our community realize its deepest and best potential. Won’t you join us as we invest in Yellow Springs and Miami Township? – Lisa Abel

A word from the Treasurer:
2017 was a good year! We had a 5% distribution from endowments, and combined with grants and other projects gave over $500,000 to the community. Our expenses in relationship to our income were good, our investments are doing well, and the assets the Foundation manages are growing.

We now have over $800,000 invested specifically in socially responsible investments* and are pursing opportunities in local Impact Investing (see the article on page 17). We are working on new ways for people to give, such as, we can now accept donations of real estate, particularly real estate that includes a house or other structure; can accept required IRA Minimum Distributions**, and stock transfers.

As we look towards 2018 we will remain focused on further expanding our support of Yellow Springs and Miami Township both through receiving donations and in nonprofit giving. Is it your time to join us? – Matt Denman

* Social responsible investments are currently invested in GCBLX, Green Century Balanced Fund
** Acceptance of required IRA Minimum Distributions follow current tax laws for any given year
Make a Difference—Get Involved with the YSCF

YSCF makes a difference for local nonprofits and our Yellow Springs community by supporting charitable programs and activities that might otherwise not be possible. We can’t make that difference without the support and generosity of community donors just like you.

There are many ways to get involved in support of the YSCF and the work we accomplish. Which one is right for you at this point in your life?

• Make a focused difference with a donor advised fund: changes in the tax law may be causing you to reconsider your charitable giving plans. Some tax experts are advising that now is the time to consider opening and contributing to a donor advised fund, which allows you to contribute cash or other investments to the YSCF in one large contribution, and then distribute contributions to the charities of your choice over time.

• Make a difference here and now with a cash donation: your cash donations are used towards improving our community. You can donate to an unrestricted fund or talk to us about a particular charitable interest that is meaningful to you. The Yellow Springs Giving Tuesday Campaign is just one example of how your individual gifts combine to impact the entire community.

• Make a difference for tomorrow: planned giving to the YSCF is a powerful way to provide a future gift to your community. There are a number of funding options for you to consider.

• Make a gift of time: volunteer. Time is our most precious asset and your donation of volunteer time is always helpful. Do you have a commitment to the environment, elder services, education, diversity, health & wellness, or the arts? The YSCF is active in all those areas. Talk to us about volunteer opportunities.

Thank you for your support in 2017 and for continuing to make a difference for the local nonprofits and our unique community in 2018 and the years to come.

YSCF provides grant funding that affects life in the Village and Miami Township in many ways

In 2017, the Foundation gave several thousand dollars in general grants to local nonprofit organizations. The grants focused on a number of areas, including the Jacoby Creek Partnership, Restorative Justice, and Dementia Friendly Village. Our online grant application is available at www.YSCF.org for 501(c)(3) nonprofit organizations whose programs and projects enrich life in the Village of Yellow Springs and Miami Township.

Another way the Foundation supports our community is through our local schools. The Yellow Springs Endowment for Education encourages grants in support of programs throughout our education system — Mills Lawn, McKinney Middle School and the High School. In 2017, the Foundation funded grants amounting to over $26,000. This year emphasized collaboration — not only through the various disciplines in the school, but with community members, art groups, businesses, and family. Faculty, staff, and students of the Yellow Springs Exempted Village Schools are eligible to submit grant applications.

In addition, the Charlotte Drake Youth Philanthropy endowment provides money for student-initiated grants of $300 or less. A peer council of students recommends funding. In 2017, projects that were funded included: preparing students for health-related challenges, training aids to assist with math, starting a chess club, holding a college fair, and promoting awareness of various social issues.

All in all, through the generosity of our community, your Foundation will continue to support a wealth of exciting projects and programs to enhance life in the Village and Miami Township.

For details on the grants distributed in 2017 visit our website: www.YSCF.org/grants
Whether you are an individual or a local non-profit organization, there are several ways you can join with us.

An endowment fund at the Yellow Springs Community Foundation is the best vehicle for long-term benefit to the community. You can choose from a variety of endowed funds tailored to your giving preferences.

Not ready to start a family foundation?

Would you like to become our partner in philanthropy?

Feel that an interest of yours is not adequately supported? A Field of Interest endowment might suit your needs.

Looking for long-term stability for your nonprofit? An Agency Endowment at YSCF, invested with the expertise of our financial advisors, can provide just that.

You name a cause, or join an already existing one, and we will work together to address our community’s needs.

Who Gives?

Every Penny Counts, Thank You!

Donation Range: $2–$20,000

These numbers exclude donations used to start endowments.

Receiving support beyond our borders

Yellow Springs and Miami Township residents versus donors living outside of 45387, includes bequests.

New for 2018: Impact Investing

Broadening ways to provide direct impact in our community

Impact investing, which has been an option for community foundation investment strategies for about ten years, combines the traditional financial “rate of return” with a social benefit, such as improved housing, accessible health care, economic development, improved education, or renewable energy—to name only a few possibilities. YSCF believes that impact investing opens opportunities to do more direct investing in our local community.

In the coming months, YSCF will continue to explore opportunities to serve our community through the use of impact investment agreements that have a clear, direct benefit to the people of Yellow Springs and Miami Township.

About Us

Your Public, Charitable Organization

The Yellow Springs Community Foundation is a tax-exempt, public, charitable organization, established in 1974, that manages monies for the benefit of all residents of Yellow Springs and Miami Township.
Gifts come primarily from three sources: annual donations, bequests and memorial gifts.

Our Mission

Entrusted with the responsibility of enhancing community life, we are a catalyst and resource for local charitable giving and grant making.

Strategic Goals

• Proactively convene community collaborations
• Be the foundation of choice for local giving
• Engage the next generation of donors and active citizens
• Expand awareness and visibility of YSCF
