

**Household Needs Assessment**

During this time of public health concern and increased economic stress, YS Community Leaders have created a list of Neighborhood Block Contacts for the village and Miami Township who will do their best to help connect people in their neighborhood with things they need in the weeks and potentially months ahead.

To help us quickly match a need with a solution, we are conducting a short survey. There are three ways to complete it:

- 1) Please complete this survey below, fold, seal with tape, add a stamp, and mail to YSCF.
- 2) Fill out the survey online at yscf.org.
- 3) Provide the information to your Neighborhood Block Contact (NBC) when they contact you in the next few days.

**Check this box here if you do not have any needs at this time and do not wish to be contacted.**
